

March in Support of the Right to Share Food and the CA Homeless Bill of Rights

While groups across L.A. are celebrating Thanksgiving by hosting free meals for homeless and low-income residents of the city, City Council Member Tom LaBonge is supporting a motion that could potentially **PROHIBIT PUBLIC FEEDING ACROSS L.A.!**

Join us on **Wednesday, November 27** as we march through Downtown to remind everyone that the ***Right to Share Food*** must be protected 365 days a year and to highlight LaBonge's motion as a reason why we need a CA Homeless Bill of Rights!

Meet at Washington Blvd. and Hope St. at 8:30am
Rally at Pershing Square at 10am

For more information contact Karl at 213.228.0024 or come by 530 S. Main St.
